

ROCK AT THE CASTLE

Line Up and Charity Announced

Hertford Town Council is delighted to announce that this year's Rock at the Castle will take place on Sunday 4th August from 12.30pm – 7pm. The free music festival will be held in the grounds of Hertford Castle, and has seen thousands of visitors return year on year.

Chosen Charity

Although Rock at the Castle is a free event to attend, this year's selected charity, Age UK Hertfordshire, will be fundraising on the gates. The charity was selected from a large number of applications by Hertford Town Councillors.

Age UK Hertfordshire promotes the wellbeing of all older people in the local community with a mission to alleviate loneliness, isolation, tackle poverty and build resilience in communities.

The donations received from Rock at the Castle will be used to continue a range of services throughout Hertfordshire including a county-wide information and advice line, day centres, befriending scheme, helping in the home service and telephone support.

Chief Executive of Age UK Hertfordshire, Deborah Paniagua said:

"We are absolutely thrilled to be the selected charity for Rock at the Castle 2019. We are really excited to attend the event and hear all the live acts, whilst being able to increase awareness of how we support local lonely and isolated older people. All the money raised will go back into services for the local community, making a real difference to older people's lives!"
