NEWS RELEASE

17th October 2017

Hertford Calendar 2018 Now on Sale

Over 150 photographs were entered into the Hertford Calendar Competition for the opportunity to be featured in the annual Hertford Calendar. The judging panel had difficult decisions to take when deliberating over which 13 photographs should be featured, covering the 12 months and the front cover.

The Mayor of Hertford, Cllr Susan Dunkley said: 'Judging the photographs was very difficult as we had an amazing number of photographs which were of a high standard, but the one's we eventually chose are a good variety representing many aspects of the Town. A big thank you to everyone who contributed.'

The Mayor of Hertford awarded the winners with a certificate and a complementary calendar at Hertford Castle on Sunday 8th October where close family and friends also attended.

The calendars are now on sale at Hertford Town and Tourist Information Centre, at its new premises at 10-12 The Wash, opposite Hertford Theatre. The calendars are priced at £7.50 each. There is also an exhibition featuring the winning entries on at the Town and Tourist Information Centre.

Notes to Editors
