NEW HOMES BONUS GRANTS

Criteria

Grants will normally be given only for schemes that meet the following criteria:

- projects and schemes must serve the area within the civil parish boundary of Hertford (which includes parts of Hertingfordbury Village).
- projects and schemes that show a clear benefit to Hertford residents and businesses and demonstrably meet one of or more of the Council's corporate objectives.

The application should estimate the number of individuals whom will benefit from an allocation. If match funding is available from other sources and how may this match-funding be secured should be specified.

Grant applications from organisations will only be considered when accompanied by at least one of the following:

1. Audited accounts; or
2. Accounts that have been subjected to independent inspection as required by the Charities Act or, where the organisation is newly formed, a case for funding including supporting evidence of fund raising efforts.

How to complete your application form

This form should be completed by a member of the group or organisation's management committee.

Please give as much information as possible. Not all of the questions will be applicable to your organisation and questions left unanswered will not necessarily affect the outcome of your application.

Questions

1 – 8 Require factual answers.

9 Should include a brief summary of the main objectives of your organisation including details of your catchment area and who your organisation benefits. If necessary use an additional sheet.

10 Requires a factual answer.

11 Where possible your organisation's last audited accounts should be sent with your application. If they are omitted it may delay the application. It would also be helpful to enclose your organisation's annual report or the Chairman's statement from the last annual general meeting. Details of your organisation's financial position should be completed as "at the time" the application is made.

12 Please detail any membership fees, session charges, admission charges etc that your organisation levies from its users.

The Council is unlikely to meet the full costs of the scheme by giving your organisation a 100% grant. Please give details of efforts made by your organisation to raise funds from other sources.

Where the works are part of a wider programme / scheme please consider whether any element of this is feasible to deliver on its own as a standalone project.
